

VEGETATION LEGEND

- Community 1 - Swamp sclerophyll communities:
Community 1a - Tall open swamp sclerophyll forest (Swamp oak)
- Community 1b - Tall open swamp sclerophyll forest (Swamp oak with dense understorey of mangrove fern)
- Community 1c - Tall open swamp sclerophyll forest (Broad-leaved paperbark)
- Community 2 - Closed forest communities:
Community 2a - Mid-high closed forest (Rainforest regrowth)
- Community 3 - Sedgeland / rushland communities:
Community 3a - Sedgeland/Rushland (Mixed species)
- Community 3b - Closed rushland (Common rush)
- Community 4 - Grassland communities:
Community 4a - Tall closed grassland (Mixed species)
- Community 4b - Low closed grassland (Mixed species)
- Community 5 - Mangrove communities:
Community 5a - Mangrove (Grey mangrove / River mangrove)

- Mature Fig trees
- SIGNIFICANT PLANT SPECIES LEGEND
- Rough-shelled Queensland nut (*Macadamia tetraphylla*)
Vulnerable (TSC Act 1995)
Vulnerable (EPBC Act 1999)
 - Red lilly pilli (*Syzygium hodgkinsoniae*)
Vulnerable (TSC Act 1995)
Vulnerable (EPBC Act 1999)
 - Smooth scrub turpentine (*Rhodamnia maideniana*)
ROTAP (2RC-)
 - Pinkheart (*Medicosma cunninghamii*)
Regionally uncommon
 - Southern Quassia (*Quassia species A*)
ROTAP (3RC-)
